Circle of Love Center, Inc. is an emergency shelter and resource center for domestic violence victims and their families. Established in 1993, Circle of Love addresses the unique needs of these victims.

Our goal is to provide supportive service programs that will prepare our clients to live a violence-free, independent life by giving them the encouragement and resources to start over.

Our shelter can house 15 people and is full 95% of the time, year-round. Services offered include a 24-hour confidential, safe shelter and hotline access, counseling, legal advocacy, computer resources, transportation, as well as medical, household and financial assistance.

Circle of Love is 1 of 46 certified shelters in Georgia. While the agency receives state and federal grants, we also rely on the donations and support of local contributors.

THANK YOU for supporting this cause.
