

Leave a Lasting Legacy with a Personalized Brick

Order & Donation Form

Circle of Love is excited to introduce a meaningful way for you to make a lasting impact—personalized brick pavers. As we work to enhance our backyard and Reflection Garden, your support will help us create a beautiful, peaceful space where survivors and their families can find comfort, strength, and hope on their healing journey.

For a donation of **\$100**, you can personalize a 4x8 brick with up to three lines of text in honor or memory of a loved one. Each brick will become a permanent part of this special space, symbolizing the love, support, and encouragement that makes our mission possible. Every contribution directly supports Circle of Love's efforts to provide vital care, resources, and advocacy for survivors of domestic abuse. Together, we can transform overgrown areas into meaningful pathways of support and remembrance.

Personalize your brick today and help us build a legacy of love, hope, and healing.
