# 10 Couples Taking Center Stage for One Powerful Purpose

Dancing with the Lake Oconee Stars is more than an evening of entertainment. It's an opportunity for our community to come together in support of a mission that changes lives.

**On Friday, February 5, 2027**, local community members will take the stage alongside professional dancers for a fun-filled evening of friendly competition, laughter, and celebration. While the performances promise an unforgettable experience, the event's true purpose is to raise critical funds for Circle of Love and the survivors and families we serve.

Every sponsorship directly supports Circle of Love's mission to provide safety, advocacy, shelter, and hope for individuals affected by domestic violence. Your investment helps ensure that survivors have access to emergency services, crisis intervention, court advocacy, safety planning, counseling resources, and the support they need to begin rebuilding their lives. This year, critical funds for families affected by domestic violence will fund two special projects designed to make our shelter an even safer and more healing place for families:

1. **A Place to Play: A safe space for children and teens to play, connect, and heal.**
A safe, welcoming place to play can bring joy and a sense of normalcy to children experiencing a difficult season. This project will renovate the existing playground and expand the multi-sport court, giving children and teens a space to play, connect, build friendships, and simply be kids.

2. **A Haven for Pets: A Pet Park for Shelter Families**
For families fleeing domestic violence, a beloved pet should never be the reason they stay in danger. A safe pet park with secure kennels will allow families to bring their pets, removing a critical barrier to leaving and giving survivors greater confidence to seek safety.

By becoming a sponsor, you or your business is not only helping make this exciting community event possible but also demonstrating a commitment to creating a safer, stronger community for everyone. Together, we can provide hope, healing, and life-changing resources to those who need them most.

Thank you for partnering with Circle of Love and helping us make a lasting impact, one step, one dance, and one life at a time.
